FROM: Tom Munson, Reclamation Hydrologist *TM*

RE: Documentation of Meeting, Robert Steele's Desert Mountain Gold Mine, S/023/033,
Juab County, Utah

Date of Meeting: May 8, 1997
Time of Inspection: 12:00 - 2:00
Participants: Bob Steele, Operator; Tom Munson, DOGM

Mr. Steele described the disturbance at the Desert Mountain Gold site as being at three acres. They are planning to go ahead and do testing on the material. Mr. Steele showed me some photographs of the site where they had salvaged and stockpiled topsoil. I did not get a chance to go visit the site at this time.
